

## Inserts for CNC toolholders | Typ 2 Zyl / VDI 50

**16,00 € \***

\* Prices excl. legal value added tax plus shipping costs

Brand: Kemmler GmbH

Order no.: 785.02.50

The tool inserts are made of oil-resistant, break-proof and impact-resistant ABS plastic and are noted for their tailored inner struts. The tapered tool holder is thus optimally centred.

The insert is clicked into our grid system with a clip and can be moved in steps of 25 mm without a tool.

Nubs on the top of the inserts.  
In this way, no adhesion occurs and the tool is prevented from attaching itself by vacuum

All tool sizes can be combined
